In favour of the 2nd Clerk remaining at 20 a promotion of 35 all above would be a big one. It would be better to make the place 30-3-45 instead of 35-3-50. The extra cost would be only 7½ Rs per mensem or 90 Rs per annum. It is desired to give the Second Clerk also some increments which the Administrative Officer recommends in favour that could be done if making it 30-1-25 or at an extra cost of 3¾ Rs per mensem or 45 Rs per annum. COMPTROLLER'S OFFICE CIVIL BRANCH, 24 MAY 1913 BANGALORE. MYSORE GOVT.

Sir,

In inviting kind reference to Government Orders Nos: J 3-4/ Cts, 252-06-5 dated 1st July 1907, and 2687-8/J F 315-92 dated 13th August 1894, fixing the scale of pay of the Head and 2nd Clerk respectively of this office, I have the honour to state as follows:-

2. Since the reorganization of the several Departments of the State, especially of the General and Revenue Secretariat, the responsibility and importance of this office has incidentally increased but the prospects of the clerks of this office continue unaltered and are by no means of an encouraging ---- nature. As the clerical establishment of my office consists of only two clerks, the prospects of promotions are few and far between, and having this in view, as also the responsible nature of the Head Clerk's post, I would venture to suggest - that the status and salary attached to the post, where the - official, virtually, has the custody of the permanent advance of this office and has to handle sums, which at times amounts to some hundreds of rupees, pertaining to the conduct of suits and appeals instituted or defended at the cost of Government, should be equal to that of a Taluk Seristedar if not of a -- Head Munshee in the Revenue Department of a District Office; and a low paid official in such circumstances is most undesirable.

As

As regards the pay of the 2nd clerk I may mention that when the scale of pay was originally sanctioned the comparatively low salary was fixed as he had to do only - copying work but from the time a Typewriter was ------ sanctioned for this office, he has been doing now for the past 6 years in addition to his copying work typewriting - as well.

Incidentally, I may mention that the establishment attached to the offices of the Government Advocate of -- Punjab and Burma as well as that of the Advocate General of Madras, where the work turned out by the clerical ----- establishment is, I believe, similar in quality if not in quantity to that of my office, appear to be liberally ---- remunerated as will be seen from the Civil Budget Estimates of those Provinces extracted in the margin. Though the - same conditions which led to the entertainment of such -- highly paid establishments, in the Provinces noted above, may not exist here, yet, I - think Government will agree with me that the responsibility of the office is in no way - infereior to them.

Punjab

One Manager.	Rs.70 5/2 100.
One Clerk.	Rs. 20 - 1 -40.
Two Typists.	Rs. 20 - 1 -35.

3. In these circumstances I would propose that the -- salary attached to the post of the Head Clerk be raised -- from 30-1-35 to 35-3-50; that the 2nd clerk-typist's from 20/- to 20 - 2/2 -30, and that the pay of one of the peons drawing now Rs.7/- be raised to Rs.10/- and be designated 'Duffedar' (who also will be required to do the duties of a Munchi in addition).

4. Another proposition which I would urge for the consideration of Government is the inadequate contingent grant of this office. From the last annual list of books submitted to ---- Government with this office No.31 dated 13th July 1912, it will be observed that except for a few texts lately purchased, the library of this office consists of only Indian and Mysore Law Reports and that too in incomplete sets. Though a major portion of the small contingent grant at my disposal has been set apart for "purchase of books", and though this amount is at times supplemented by reappropriations from amounts allotted to other items, it hardly suffices for purchasing suitable and authoritative law publications and to complete present set - of incomplete Law Reports. I need not dwell here at any ---- length on the desirability of providing the library of the -- legal adviser of Government with authoritative and upto date law publications, as it is a matter well within the knowledge of Government.

5. In conclusion I would request you to place my proposals mentioned in paras 3 and 4 for the kind consideration of --- Government and obtain their sanction for the proposition ---- statement which I have this day submitted through the Comptroller, to have effect from the beginning of the next official year.

I have the honour to be,

Sir,

Your most obedient servant,

Government Advocate.

To,

The Secretary to the Government of His Highness the Maharaja of Mysore, General & Revenue Departments.

Sir,

In reply to your letter No.J 1730/Cts.333-13-4 dated 11th December 1913, requesting me to furnish information in regard to certain matters in connection with the increase of pay of the clerks of my office, I have the honour to state that neither of the two clerks possesses any University qualification, but their general culture is above the average. The -- Head Clerk entered service in this office as second clerk on 13th March 1901 on Rs.20/- and was promoted to the post of - Head Clerk when it fell vacant on 29th April 1907; and the - present 2nd clerk who was then working in the Office as a -- volunteer was appointed to his place on 30th April 1907. In this connection reference may also kindly be made to the - marginally noted extracts from the Service Registers of the officials, wherein my predecessor Mr.S.Narayana Rao has --- noted their services as satisfactory and I may say that I agree with him in that opinion.

"Head Clerk M.S.Srinivasa Iyer has been uniformly diligent - and prompt in the discharge of his official duty and his character has been satisfactory".

(Sd).S. Narayana Rao.
30-6-1911.

"2nd Clerk Venkoba Rao has. -- worked satisfactorily and -- willingly. His character is - good".

(sd).S.Narayana Rao.
30-6-1911.

2. As regards the total number of communications issued from this office during the year ending 30th June 1913, the - number of issues is 380, while that of receipts 480; these do not include a number of receipts and issues of a miscellaneous nature, such as papers relating to the Legislative Council, -- Economic Conference &c. I may be permitted to state that the clerikal work involved on this account and in the maintenance of the connected registers do not by themselves form the sum total of the writing work that is turned out in the office. The two clerks between them have to get ready copies of judgments, depositions of witnesses and exhibits in almost all the Criminal Appeals, Revision Petitions, Revision Cases &c in --- which the Chief Court notify me. The fact that on an average during the past five years the records in about 170 Criminal cases a year had to be copied, will enable Government to form an idea of the voluminous copying work turned out in the office.

3. In addition to the above, I may state that there are the other responsible duties as detailed in this office No.29 dated 22nd July 1913 to be attended to. In the light of the facts above set forth I request that Government may be pleased to sanction my proposal.

II papa

4. I may in conclusion, bring to your notice that the -- scale of pay I have recommended for the sanction of Government for the two clerks of my office, has been proposed not only in consideration of the hard work turned out by them, but also in view of making the posts somewhat attractive in future for --- graduates who may be disposed to enter this Department of the public service.

I have the honour to be,

Sir,

Your most obedient servant,

Government Advocate.
